# Turia Gardens

Turia Gardens is one of the largest parks in Spain.

This park is located along the former Turia riverbed. You will find here many paths, gardens, sports facilities, attractions and old bridges.

# Valencia Cathedral

It is a unique building with many architectural styles added over the years. It is worth paying attention to the decorated doors of the Puerta del Palau and the unique colonnades

# Plaça de la Mare de Déu

This is one of the three most beautiful squares in Valencia. It is located right next to the Valencian Cathedral– in the middle of it is the Fountain del Turia, dedicated to Neptune.
